

Women in STEMM: A Sociological Perspective

What: Bring your lunch and join GradWISE for a discussion with Erin Cech, Assistant Professor from Rice University. Dr. Cech will be speaking about her sociological research on the progress and challenges of women in STEMM fields, followed by an open discussion. For a recent report she co-authored, see

[http://crgp.ucsd.edu/documents/
GenderinScienceandEngineeringProfessionsCaseStudy.pdf](http://crgp.ucsd.edu/documents/GenderinScienceandEngineeringProfessionsCaseStudy.pdf)

When: Friday, April 5, 2013 from 12-1PM

Where: Structural and Materials Engineering Bldg., Room 346
